

Online Resources

Official Nationwide Website

<https://www.nationaldreamers.org/>

Your all in one destination for the organization. Including photos of events, chapters, members and much more! Find further resources by visiting our website.

Chapter Application Form

<https://forms.gle/2gBMbsaE9j4XTCZh9>

This form **MUST** be filled out **before you do anything at your school!** The chapter application will be reviewed by the Board of Directors OR Executive Council; if your application is approved, it grants you the permission to open a chapter at your school!

Free Website Builder

<https://www.wix.com/>

After your chapter gets approved by both NDA **AND** your school, you'll have officially become a school club and you'll need a chapter website! Wix.com was used to build NDA's national website because of its convenience. There are many other free website builders out there, but this one is both effective and NDA approved! You can reach out to your state officer team for templates & a chapter website checklist!

Website Building Tips

When diving into something new, it is important to research.

What sets us apart?

https://www.ted.com/talks/seth_godin_on_sliced_bread?language=en

We, here at NDA, believe in the power of executing our dreams. It's an idea we want to spread across the nation. We accomplish this by getting other students to join our chapters and build a membership base that can change the world, together. This also means we have to stand out from the rest, no one notices normal and talks about it, so let's get to work sharing our remarkable ideas!
